MEMORANDUM FOR: CIA/CIA, DC Division**MEMORANDUM** **Minister Security Problem**

1. Attached are memoranda from the Office of Security and Communications, concerning the recommendation to close down our teletype communications links until countermeasures are developed or screen rooms installed. There appears to me to be no alternative but to comply with the recommendation to suspend these links, unless you advise me of circumstances in which teletype communications are of such value that the risks made to be recognized in terms of specific local circumstances.
2. Please advise the Office of Security regarding your needs for screen rooms. Their cost will have to come out of Division funds. If the Flexowriters are not used while such rooms are under construction, they should be brought back for replacement or removal. Please keep [redacted] office informed of your decisions and actions in this area.

RECIPIENT FOR: Chief, DC Division**SUBJECT: Plowwriter Security Problem**

1. Attached are comments from the Office of Security and Communications, concluding with the recommendation to close down our teletype communications links until countermeasures are developed or certain rooms installed. There appears to me to be no alternative but to comply with the recommendation to suspend these links, unless you advise me of alternatives in which teletype communications are of such value that the risk needs to be assessed in terms of specific local circumstances.
2. Please advise the Office of Security regarding your needs for screen rooms. Their cost will have to come out of Division funds. If the Plowwriters are not used while such rooms are under construction, they should be brought into for replacement or eventual.
3. I assume you will take action on para. 8 of [redacted] concerning the Plowwriters at [redacted] which are not used in communications.
